Roadside Assistance Program
1 800 smart USA

>>smart-1 service >1 800 smart USA

smart-1 service is a 24/7/365 roadside assistance program provided with all new smart cars for the first 2 years or 24,000 miles, whichever comes first. smart-1 service offers customers roadside assistance throughout the United States and Canada.

Simply call the toll free number, 1 800 smart USA, and provide the Vehicle Identification Number (VIN), current car location and problem description. Phone calls to smart-1 service are at No-Charge to smart car owners. A smart-1 service representative will assist the customer with arrangements to get their car back on the road quickly. smart-1 service can assist customers in one of sixty-five languages.

smart-1 service Provides the Following Services at No-Charge to the Customer

Battery Jumpstart

> Should your car require a jumpstart due to a dead battery for any reason, smart-1 service will coordinate assistance from a smart center or a service provider for a jumpstart.

Out of Fuel

> Should your car run out of fuel, smart-1 service will coordinate assistance from a smart center or a service provider to supply enough fuel to get the car back on the road.

Lockout Service

> Should you become locked out of your car, smart-1 service will coordinate assistance from a smart center or a service provider to unlock the car door.

Information

> You can call smart-1 service anytime for information such as the nearest authorized smart center or simply to get answers to basic vehicle questions.

Towing

> In the event of a mechanical breakdown normally covered by your smart USA Limited Warranty, smart-1 service will arrange to transport your vehicle to the closest smart center. Your vehicle must be accessible to the tow service (as determined by the local facility.)

Additional Services smart-1 service can Arrange

(Services not covered by smart-1 service)

Tire Service

> smart-1 service will assist the customer in arranging for roadside tire service if requested. Charges for roadside tire service are not covered by smart-1 service.
