Items Which Are Covered:

DEFECTS: Mercedes-Benz USA, LLC (MBUSA) warrants to the original and each subsequent owner of a new smart vehicle that any authorized smart Center will make any repairs or replacements necessary to correct defects in material or workmanship arising during the warranty period.

ANY AUTHORIZED SMART CENTER: Any authorized smart Center of the owner's choice will perform warranty repairs or replacements. The vehicle should be delivered to an authorized smart Center during normal service hours. A reasonable time should be allowed after taking the vehicle to an authorized smart Center for performance of the repair.

Occasionally, delays in repairs occur due to back-ordered parts and other circumstances outside MBUSA's control. Delays occurring for such circumstances will not be considered an unreasonable performance of the repairs.

WARRANTY STARTS: The warranty period starts on the date the vehicle is delivered to the first retail purchaser or put in service as an authorized smart Center demonstrator or MBUSA or Mercedes-Benz U.S. International, Inc. (MBUSI) or Mercedes-Benz Research & Development North America, Inc. (MBRDNA) company vehicle but no later than 18 months from the vehicle production date. Warranty coverage will be adjusted to reflect the actual warranty period start date.

WARRANTY PERIOD: **This warranty is for 48 months or 50,000 miles, whichever occurs first.**

Not all components or adjustments carry a 48 month or 50,000 mile warranty. Warranty coverage for specific components or adjustments is based on the vehicle's time in service or mileage and should always be verified with your authorized smart Center prior to any repairs. Examples include, but are not limited to, the following:

- Wheel alignment and balancing
- Brake pads
- Brake discs
- Glass
- Wiper blades and inserts
- Remote control key batteries

See (▷ Page 14) for items not covered by this warranty.

NO CHARGE: Warranty repairs will be made at no charge for parts and labor.

WARRANTY AVAILABLE: This warranty is applicable only in the United States and Puerto Rico. If you take your vehicle to Canada temporarily, such as on vacation, warranty service may be requested from any authorized smart Center.

In all other countries defects in material and workmanship will be handled in accordance with the terms and limitations of a Limited Warranty of 24 months with unlimited miles.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

THIS IS THE ONLY WARRANTY GIVEN WITH THE PURCHASE OF A SMART VEHICLE. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above limitation may not apply to you.

CALIFORNIA SUPPLEMENT

THE STATE OF CALIFORNIA ALSO PROVIDES AN IMPLIED WARRANTY OF MERCHANTABILITY, AND WHERE APPLICABLE, AN IMPLIED WARRANTY OF FITNESS. THE DURATION OF THESE IMPLIED WARRANTIES, HOWEVER, SHALL BE LIMITED TO ONE (1) YEAR FROM THE DATE OF THE ORIGINAL RETAIL SALE OR PUT IN SERVICE AS AN AUTHORIZED SMART CENTER DEMONSTRATOR OR MERCEDES-BENZ USA, LLC OR MERCEDES-BENZ U.S. INTERNATIONAL, INC. General

Our intention is to make any repairs or replacements necessary to correct defects in material or workmanship arising during the warranty period without charge to you. All we ask is that you properly maintain and care for the vehicle and that you have warranty repairs performed by an authorized smart Center.

Please note the difference between "defects" and "damage" as used in the warranty. Defects are covered since we, the distributor, are responsible. Conversely, we have no control over damage caused by things including, but not limited to, collision, misuse, and lack of or improper maintenance. Therefore, damage for whatever reason is not covered by the warranty.

It is the owner's responsibility to maintain the vehicle according to the Maintenance Schedule provided. All maintenance services must be accomplished to keep your warranty coverage valid. When requesting service or repair work under warranty, the owner must present to the authorized smart Center evidence that the periodic servicing requirements have been accomplished. Receipts covering completion of required servicing should be retained in the event a question arises concerning maintenance.

These receipts should be transferred to each subsequent owner of the vehicle. For your convenience, the Maintenance Booklet has been designed to incorporate the signature of your authorized smart Center upon completion of the required maintenance services.

This signature is evidence of completion of the maintenance services and should be kept together with other receipts, repair orders and invoices.

If the owner has a warranty claim and can show through receipted invoices that the vehicle has received the required servicing, the authorized smart Center will perform the warranty work without charging for parts and labor. It is the responsibility of the owner to prove and the authorized smart Center to judge whether the required maintenance service has been performed.

MBUSA's obligation is limited to the authorization to exchange or repair at its option such parts which are acknowledged by it to be defective. In case of defective assemblies, Genuine smart Remanufactured Parts can be used in exchange instead of their repair. The replaced defective parts or assemblies shall become the property of MBUSA. Warranty repairs do not constitute an extension of the original warranty period for the vehicle or a part thereof.

Insurance Write-Off; or Repaired or Replaced Parts

Any vehicle which has been damaged to such an extent that the owner, insurer, financing institution or leasing company determined the vehicle to be a "total loss", "write off" or equivalent, is not covered by this warranty. This includes but is not limited to vehicles issued a "salvage", "scrap", "dismantled" or similar title under any state's law.

Any parts repaired or replaced under an insurance claim or required as a result of events which are not covered under this warranty (see "Items Which Are Not Covered", (▷ Page 14), for example, damages due to accidents, misuse, or negligence, and in either case, any subsequent consequential damage to the vehicle are not covered by this warranty.

Paint and Other Appearance Items

Defects in paint, trim or other appearance items are normally taken care of during our new vehicle preparation or by the authorized smart Center during new vehicle inspection. We suggest that if you find any paint or appearance problems that you advise your authorized smart Center as soon as possible since deterioration due to use and exposure is not covered by the warranty.

The instructions in your Operator's Manual regarding the care of paint, upholstery, trim items and convertible tops, as applicable, must be followed explicitly to maintain your warranty coverage.

Body Repair Information

Due to the materials and assembly procedures used in the production of smart vehicles, it is strongly recommended that any paint work/body repairs be performed using Genuine smart parts by repair facilities which have been certified by MBUSA as having the tools, equipment and training necessary to perform such repairs. MBUSA has certified a network of body repair facilities which are qualified to perform both cosmetic and structural repairs to your vehicle.

While the vehicle owner may elect to have repairs (collision damage/paint repair work) performed by any automobile body repair establishment or individual, damage or malfunction caused by body repairs not performed in accordance with smart specified repair procedures are not covered by the smart New Vehicle Limited Warranty.

Should your vehicle need paint work/body repair or if you have any questions please contact your authorized smart Center or call 1-800-762-7887.

Customer Repair Orders

MBUSA does not maintain copies of Repair Orders on warranty repairs performed. Your servicing authorized smart Center will give you a copy of the Repair Order on all warranty repairs performed. Please keep this copy with your vehicle records.

General

This High Voltage Battery Limited Warranty ("Battery Coverage") supplements the warranty coverage for the high voltage battery under the New Vehicle Limited Warranty ("Vehicle's Warranty"). This Battery Coverage is separate from and in addition to the express conditions and warranties set forth in the Vehicle's Warranty and in no way alters or extends that coverage.

Items Which Are Covered:

BATTERY COVERAGE: Mercedes-Benz USA, LLC ("MBUSA") warrants the high voltage battery in your vehicle to the original and each subsequent owner for any repairs or replacements necessary to correct defects in material or workmanship, but not design, relating to the battery which may arise after the expiration of the Vehicle's Warranty.

DAMAGE: Please note the difference between "defects" and "damage." Defects are covered since we, the distributor, are responsible. Conversely, we have no control over damage caused by things including, but not limited to, collision, misuse, and lack of or improper maintenance. Therefore, damage to the high voltage battery for whatever reason is not covered by the warranty. Do not assume that an issue you may experience with the high voltage battery is due to a defect. Parts can fail for many different reasons not

attributable to a defect. MBUSA is committed to customer satisfaction, which is why it is important for you to take your vehicle to an authorized smart Center where trained professionals can make the appropriate diagnosis and, if necessary, repair.

OWNER'S RESPONSIBILITY: It is the owner's responsibility to maintain the vehicle according to the Maintenance Schedule provided. All maintenance services must be accomplished to keep your Battery Coverage valid.

BATTERY COVERAGE PERIOD: The Battery Coverage begins on the same date as the Vehicle's Warranty (▷ Page 11). The length of this Battery Coverage is up to 8 years or 62,000 miles, whichever occurs first.

AVAILABILITY OF BATTERY COVERAGE: This Battery Coverage has the same geographic restrictions as the Vehicle's Warranty, including restrictions against the applicability of the Battery Coverage outside of the United States and Puerto Rico (▷ Page 11).

Items Which Are Not Covered:**EXCLUSIONS FROM BATTERY**

COVERAGE: In addition to the Items Which Are Not Covered under the Vehicle's Warranty (▷ Page 14), the Battery Coverage does not cover damage or failures to the battery or its components resulting from or caused by:

- Physically damaging or intentionally attempting to reduce the life of the high voltage battery
- Exposing the high voltage battery to a direct flame
- Immersing any portion of the high voltage battery in water or fluids
- Opening the high voltage battery enclosure or having it serviced by someone other than an authorized smart Center
- Neglecting to follow correct charging procedures as recommended in the Operator's Manual
- Using incompatible charging devices
- Failing to repair an existing problem, or otherwise properly maintain the battery

EXCLUSIONS FOR GRADUAL CAPACITY

LOSS: The vehicle's battery, like all batteries, will experience gradual capacity loss with time and use. Loss of capacity due to or resulting from gradual capacity loss is not covered beyond the terms and limits of this Battery Coverage. See the Operator's Manual for recommendations on how to maximize the life and capacity of the vehicle's high voltage battery.

OTHER EXCLUSIONS: In addition to the exclusions set forth above, this Battery Coverage does not cover the costs of repairing damage or conditions caused by:

- Accident, collision, or any object striking the vehicle
- Towing of the vehicle (Flatbed recommended)
- Abuse or negligence
- Failure to operate the vehicle in accordance with the Operator's Manual
- Misuse – such as towing, driving over curbs, overloading, using the vehicle as a power source, or for any other purpose for which the vehicle is not designed
- Use of replacement parts other than Genuine smart parts
- Use of used parts, even if supplied by an authorized smart Center
- Improper repair or maintenance
- Fire, explosion, earthquake, windstorm, lightning, hail, flood
- Normal wear and tear
- Failure to repair an existing problem or otherwise properly maintain the vehicle

NO COVERAGE FOR INSURANCE WRITE-OFF; OR REPAIRED OR REPLACED PARTS: Like the Vehicle's Warranty coverage, this Battery Coverage provides no coverage of any kind if the owner, insurer, financing institution or leasing company determined the vehicle to be a "total loss," "write off," or equivalent, or for any parts repaired or replaced under an insurance claim, which are not required under the Vehicle's Warranty or Battery Coverage (▷ Page 18).

Warranty Service:

ANY AUTHORIZED SMART CENTER:
To make a warranty claim under this Battery Coverage you must present your vehicle to an authorized smart Center so a diagnosis can be performed to determine whether it is necessary to correct a defect in material or workmanship. Any authorized smart Center of the owner's choice will perform warranty repairs or replacements. The location of the nearest authorized smart Center may be obtained by visiting www.mbusa.com or calling 1-800-FOR-MERCEdes. In the event a warranty or service matter is not handled to your satisfaction, see (▷ Page 29) for suggested steps.

Your satisfaction is our primary concern; and MBUSA will do everything it can to assist your authorized smart Center in resolving your warranty problem or provide you with an explanation of MBUSA's position.

LIMITATION OF WARRANTIES AND OTHER WARRANTY TERMS

LIMITATION OF DAMAGES: This Battery Coverage does not cover incidental or consequential damages such as damage or injury to person or property or any loss of revenue which might be paid, incurred or sustained by reason of the failure of the battery covered by this warranty.

ANY IMPLIED WARRANTIES FOR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long any implied warranties last, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Daimler AG, Mercedes-Benz USA, LLC, Mercedes-Benz U.S. International, Inc., Mercedes-Benz Research & Development North America, Inc., and authorized smart Centers do not authorize anyone to create for them any other warranty or any other liability in connection with your vehicle.

Laws in many states and federal law permit owners and/or lessees to obtain a replacement vehicle or a refund of the purchase or lease price under certain circumstances. The provisions of these laws vary from state to state and vary from the federal law. To the extent allowed or not prohibited by applicable law, MBUSA requires that you first provide us with direct written notification of any alleged unrepaired defect or malfunction, or any other dissatisfaction you have experienced with your vehicle so that we have the opportunity to cure the problem or dissatisfaction ourselves. Giving MBUSA itself this direct notice and opportunity to cure enables us to supplement prior efforts by our authorized smart Center so any ongoing problem can be resolved or the dissatisfaction addressed by us. In states that do not require it, we also require, without constituting any liability beyond the smart new vehicle warranty, that you give us direct written notice of any service difficulty you have experienced. Written notifications, either required under an applicable Lemon Law or other written notifications should be sent to us, not one of our authorized smart Center, at Mercedes-Benz USA, LLC, Customer Assistance Center, Three Mercedes Drive, Montvale, New Jersey, 07645-0350.

2. If the manufacturer or its dealer is unable to repair or correct a defect within a reasonable time, you may be entitled to return the vehicle and receive a full refund, minus a reasonable allowance for vehicle use.
3. It is presumed that the manufacturer or its dealer is unable to repair or correct the defect if substantially the same defect continues to exist after the manufacturer has received written notice of the defect by certified mail, return receipt requested, and has had a final opportunity to correct the defect or condition within 10 calendar days after receipt of notice. This notice must be received by the manufacturer with the term of protection and may be given only after (i) the manufacturer or its dealer has had two or more attempts to correct the defect, (ii) the manufacturer or its dealer has had at least one attempt to correct the defect if the defect is one that is likely to cause death or serious bodily injury if the vehicle is driven; or (iii) the vehicle has been out of service for repair for a cumulative total of 20 or more calendar days, or in the case of a motorhome, 45 days or more.
4. If substantially the same defect continues to exist after the manufacturer has had the final opportunity to repair or correct the defect, you may file an application for relief under New Jersey's Lemon Law.
